#### **Product Description**

In this now classic book, noted scholar and author Harry Blamires perceptively diagnoses some of the weaknesses besetting the church with insights as fresh and relevant today as they were in the 1960s. Arguing that a distinctively Christian reasoning has been swept away by secular modes of thought and politically correct assumptions, the author calls for the recovery of the authentically Christian mind. "America needs a shot of intellectual insulin directly to its oft-sleepy mind. Harry Blamires is calling out to Christians to think once again. To Blamires, Jesus is not some spongy source of giddy joy. He is the Christ-the hope of 'hard boiled'
