Description:

It may not be obvious what a book on heaven has to do with education, but our view of heaven and the eternal future has a profound impact on our perspective on the value of engaging with God's world now. If there is a total disconnect between the present, material universe and heaven, there will be little motivation to spend time studying the location where God has put us now.

Product Description

What will heaven be like? Randy Alcorn presents a thoroughly biblical answer, based on years of careful study, presented in an engaging, reader-friendly style. His conclusions will surprise readers and stretch their thinking about this important subject. *Heaven* will inspire readers to long for heaven while they're living on earth.
